## **Parent's Agreement**

(Revised: September 2009)

Parents or guardians of applicants agree to the following conditions for admission to and re-enrollment in The Yorkland School –

1. We accept and support the conservative, evangelical Christian nature of the school, its staff, and its approach to education.
2. We will support the school in the application of Judeo-Christian values to issues of discipline, social relations, and current issues.
3. We will endeavour to maintain in our home the kind of love, instruction, discipline and moral standards that God has called all parents to provide for their children.
4. We will endeavour to maintain in the home an atmosphere that encourages our child to pursue excellence in every area of life.
5. In routine discipline matters addressed by published school rules, we will support the staff and administration in their efforts to discipline our child should that become necessary. In more serious matters requiring discipline, with appropriate consultation, we will support the administration in their decisions or else agree to withdraw our child from the school program without protest or appeal.
6. We will contact the administration or the teachers to discuss concerns before engaging in criticism of the school or its staff.
7. We will support the school in its enforcement of uniform policies.
8. We will support the school in its efforts to maintain a healthy environment for all staff and students by cooperating with school and public health initiatives designed to protect the health and well-being of individuals in public places. This includes recognizing that the school is not an allergy-free or peanut-free environment.
9. We will inform the administration of any family circumstance, past or present, that could potentially affect our child's work or behaviour at school.
10. As part of the application process, we will inform the administration of any learning disability that might affect our child's ability to do the work that is normally expected of all students.
11. As part of the application process, we authorize the administration to contact our child's previous school to discuss the academic performance and behaviour of my child.
12. We agree to pay the tuition and other fees as outlined in the fee schedule.
13. We agree to withdraw our child from the school should the administration, in consultation with the teaching staff, come to the conclusion that further time spent by the student in the school would not be in the best interest of the student body and/or the student.
